

Vertical - 3.37x2.12 Template

■ Live Area

Keep all crucial items inside the blue box (i.e. text, images, logos etc.) Any items outside Live Area may be cut off.

■ Final Cut Area

The use of borders is discouraged, due to shifting in the cutting process. The end product may be asymmetrical.

■ Bleed Area (.25 inches)

All background items must extend to the black line. This is to ensure that the end product will not have white edges.
